

Coastside Youth Association

EDUCATION • SELF-RESPECT • DISCIPLINE • PRIDE • TEAMWORK • FAIR-PLAY • SPIRIT

The Coastside Football & Cheer program is a non-profit, local level, Pop Warner football and cheer organization administered solely by volunteers. The Board of Directors and other volunteer parents are continually preparing for a broader, better-equipped and better-publicized program for boys and girls, ages 5 - 15.

Football requires a considerable investment in the safest, most modern equipment available. The organization must also pay for the use of the athletic field, personnel to prepare the field, equipment storage, liability insurance, referee's, and emergency medical technician expenses to name a few. As school budgets have been reduced, organizations such as Coastside Football & Cheer have become the providers of physical education for today's active elementary and middle school youth. We encourage under privileged children to become part of this exciting and rewarding program and your sponsorship allows us to provide eligible families a reduced enrollment fee.

"We promise that we will work together as a team. Respecting and abiding by all the rules. Always striving to win, but above all, playing fair. So, win or lose, we will do our best in the true spirit of good sportsmanship, for the glory of football and the honor of our team."
